

INDIANA MUNICIPAL ELECTRIC ASSOCIATION WORKSHOP REGISTRATION FORM

IMEA 410 – SUBSTATION MAINTENANCE AND INSPECTION

**December 2-3, 2010
Greenfield, Indiana**

This workshop is designed to provide lineworkers and other utility personnel an overview of typical electrical substation design, equipment, and operation. IMPA/IMEA instructors provide instruction on substation safety, security, controls and station equipment. Participants will gain knowledge of substation operation, hazards, personnel protection, SPCC requirements and resources to aid in developing in-house substation maintenance and inspection programs. Topics will include; SPCC plans, Safety and Security, Substation design and component overview, Control Device maintenance and troubleshooting, Equipment maintenance and inspection, and a Substation tour of a Greenfield Electric Substation.

The IMEA/IMPA will conduct this workshop at Greenfield Municipal Electric Utilities

A course outline and map with directions to Greenfield will be sent to all registrants prior to the class.

Registration Fees:

IMEA Safety Program Member - \$300.00 per person

IMEA Member - \$330.00 per person

Non-IMEA Member - \$450.00 per person

Hotel Information:

Comfort Inn – 317-467-9999

Holiday Inn – 317-467-0999

Hampton Inn – 317-467-0700

Certificates of completion will be provided for each participant, please type or print your name clearly.
