

# INDIANA MUNICIPAL ELECTRIC ASSOCIATION WORKSHOP REGISTRATION FORM

## IMEA 212 – Transformer Connections Workshop Anderson, IN

March 6-8, 2012

This workshop is designed for linemen of all levels of experience. Topics included in the workshop are worksite safety, OH and UG Transformer construction, electrical connections, vector diagrams, Three Phase connections, Three Phase power banks, troubleshooting and testing. Classroom instruction using the arrow technique will be given to determine proper transformer applications. Field instruction for installing and paralleling Single Phase transformers and transformer banks will be performed.

The IMEA will host this workshop at Anderson Light and Power in Anderson, IN.

A course outline and a map with directions to Anderson Light and Power offices will be sent to all registrants prior to the class. Hotel accommodations may be made by calling:

Comfort Inn 765-649-3000      Quality Inn 765-641-9980      Hampton 765-622-0700  
Many hotels offer government rates to municipal employees when requested.
