## IMEA TO UNVEIL NEW WEBSITE AT 2018 FALL BUSINESS MEETING

Great News! We will be launching our new website following the Fall Business Meeting & Tech Expo!

For many of our members, the IMEA website is our primary outlet of information. The website is also a means to provide day to day interaction with all of our members & associate members.

*Some of the highlights;* A fresh new look, a layout that is simple to navigate and easily understood, a contact database to **'Members Only'** with unique user-defined login/password protocols, an online member directory including logos and associate member company descriptions, a classifieds section, e-Bulletins that will take you directly to the website for additional information on all resources & programs provided by IMEA and event and training registration capabilities.
