PEOPLE & PLACES

THE CITY OF FRANKFORT

Home to more than 16,400 residents and the county seat of Clinton County, Frankfort boasts a warm, small town atmosphere blended with a proactive business-friendly environment and one of the State's only downtown Ivy Tech campuses. Wrapped around City's government's four cornerstones of Neighborhood Revitalization, Economic Development, Communications and Citizen Voice, the community's neighborhoods are being beautified while its world-class industrial park is being leveraged to secure and create not only jobs, but great careers. An excellent school system, Hot Dogs sports teams, nationally-recognized library, revitalized downtown and active Main Street businesses, City-County airport, six City parks and access to nine major highways and roads add to an appealing and inviting community in which to live, work and play.
