

Lebanon Utilities currently has an opening for a Journeyman Lineworker. The position, under the direction of the Line Foreman (working as part of a cohesive team), is responsible for the proper installation, operation and maintenance of the electric transmission and distribution system and related facilities and equipment. Working as part of a team, the individual will use technical, analytical and interpersonal skills and electrical knowledge to deliver reliable electric service to Lebanon Utilities Electric Department customers. Position is responsible for performing inspections, maintenance, operations and construction work on the substations, transmission, distribution and street lighting systems.

**Qualifications required:**

A high school education or equivalent is required and 4 Years Apprentice Lineworker training through an accredited apprenticeship program. Thorough knowledge and familiarity with principles and practices of electric power line construction, maintenance, and substations is required. Strong verbal communication skills are necessary in order to deal with a wide range of personalities both inside and outside the organization. Must have the ability to make informed immediate decisions in emergency or highly stressful situations. A valid Indiana driver's license and CDL are required. A Journey Lineworker ensures all duties and responsibilities of the department are in compliance with OSHA, IOSHA and Regulatory standards. Compliance with State Board of Accounts Guidelines is necessary.

Interested persons should submit an application, that can be obtained at [www.lebanon-utilities.com](http://www.lebanon-utilities.com) go to **about us** at the top of the page, in the drop-down **Career Opportunities**. Also, please include a resume with salary history no later than 02/19/2019 to Human Resources, 401 S. Meridian St. Lebanon IN 46052.
