POSITION AVAILABLE

The Town of Ferdinand currently has a full-time position open in the Water & Wastewater Department for a self-motivated individual that wants to serve the public and help our great town grow.

Position: Water/Wastewater Service Tech

General Summary: Perform manual and technical skilled labor in maintenance and construction of water distribution, wastewater collection systems, and wastewater treatment plant. This position will under the direct supervision of the Water/Wastewater Superintendent or Crew Chief assigned.

Duties may include, but are not limited to:

- Perform skilled and unskilled work in maintenance and construction of the water distribution, sewer collection and wastewater treatment plant.
- Operate various types of town equipment
- Dig and back fill trenches, street cuts and other excavations
- Maintain the operations of fire hydrants, street valves, lift stations, and manholes
- Assist in the installation and repair of water and sewer mains, water meters, services, valves, fire hydrants, and pumps.
- Respond to public complaints/inquiries as assigned, including on-site visits and inspections.
- Maintain and perform repairs to all equipment used.
- Ability to serve 24-hour call.
- Ability to obtain a Class B CDL with tanker endorsement.
- Responsibility for the use of necessary personal protective equipment related to the current task.
- Ability to travel for classes and seminars for education to learn new and updated EPA and IDEM regulations.

Applications accepted until 4:30pm on Friday, September 30th, 2022

Applications/Resumes may be turned in or sent to:
