

## Safety Message of the Day for IMEA Members

### **The common denominators in workplace accidents**

#### **Unsafe Acts Are:**

A deviation from generally recognized safe ways or specified methods of doing a job which increases the probability of an accident.

#### **Unsafe Conditions Are:**

An unsatisfactory physical condition existing in a workplace environment immediately before an accident that was significant in causing the event.

**If you recognize the Unsafe Acts or Unsafe Conditions, you can effectively correct or avoid them and reduce your personal exposure to the general causes of accidents.**
