

Safety Message of the Day for IMEA Members

Job Briefings Safety Message

Job briefing

The "269" standard requires that before each job, the person in charge conducts a job briefing with all workers that covers, at a minimum:

1. Hazards associated with the work
2. Procedures to be used
3. Any special precautions
4. Control of energy sources
5. Personal protective equipment (PPE) required

Required by APPA:

1 through 5 above and - 6. Emergency response procedures
