

Safety Message of the Day for IMEA Members

Lockout/Tagout Safety Message

Lockout/Tagout (LOTO) protects a worker by preventing others from turning on equipment or from a release of energy while working on or servicing equipment & machinery, LOTO controls hazardous energy.

1. What are Lockout/Tagout procedures at your worksite? Who is responsible?
2. What are some of the common mistakes we make with LOTO?
3. How can we get better? What can we do to ensure proper lockout/tagout is used?
