

ELECTRIC UTILITY METER TECHNICIAN

Henderson Municipal Power & Light (HMP&L) is seeking a Meter Technician for the Transmission & Distribution Department in Henderson, Kentucky. This position will perform technical tasks to maintain, install, inspect, repair, and test residential and commercial electrical metering equipment for proper measurement and billing. Minimum qualifications include: High School Diploma or GED and vocational or technical school training in electrical work, with a minimum of one year experience and training involving electrical connections and electric metering; ability to perform simple circuit analysis and read/interpret metering design drawings; or any equivalent combination of education, training, and experience which provides the requisite knowledge, skills, and abilities for this job. Requirements include: residency in Henderson County; a valid Driver's License; ability to demonstrate regular and predictable attendance; must pass a drug/alcohol screen, physical exam, and background check upon conditional offer of employment with no DUI convictions in the previous 5 years. Preferred requirements include: Class A Commercial Driver's License (CDL) and electrical license. Starting annual wage is contingent upon experience, and includes paid vacation, sick leave, health benefits, and other benefits. Application and job description are available online at www.hmpl.com. All applications must be completed and returned to the Human Resources Department by COB, Friday, 6/07/24. EEO/M/F/V/D
